

AVTRW
The Association for Veterinary
Teaching and Research Work

72nd Annual AVTRW Conference 2018

We are pleased to announce that the 72nd Annual AVTRW Conference 2018 will be held on 17-18 September 2018 at the School of Veterinary Medicine and Science, University of Nottingham, UK. Oral and poster abstracts are invited.

We particularly encourage early career researchers (including undergraduate students, postgraduate students, interns, clinical residents, and lab technicians) to present their work. The conference provides the ideal opportunity to present research findings, including those of a preliminary nature, in a relaxed supportive environment and to facilitate interaction with other researchers in all aspects of veterinary research.

Important dates:

- Abstract Submission Deadline: 30th July 2018
- Early Bird Registration Deadline: 30th August 2018

The pre-programme has the following main themes however we welcome abstract submission on any topic of veterinary research:

- Antimicrobial resistance
- Virology and emerging disease
- Clinical veterinary medicine
- Parasitology

The final conference oral agenda will be finalised following the abstract submission deadline. Further information, including abstract submission and registration details can be found at <http://www.avtrw.co.uk/events/>

Any questions can be addressed to the organisers at nottingham2018@avtrw.co.uk

We look forward to meeting you in September.

Kind regards,

Dr Stephen Dunham
AVTRW President

Conference Registration

Monday 17 September (day only):	£45 (student member) £65 (member/student non-member) £95 (non-member)
Tuesday 17 September (day only):	£45 (student member) £65 (member/student non-member) £95 (non-member)
