APPLICATION FOR MEMBERSHIP - INSTRUCTIONS

If you wish to be considered for membership of the Association for Veterinary Teaching and Research Work, please complete the form overleaf and return to the association secretary using the following email address:

An electronic document (Word or PDF) is preferred, although a scanned hand-written document is also acceptable. We regret that we are unable to accept applications by post or fax.

Once the application is received, you will be emailed instructions for the initial membership payment of £25 by UK bank transfer, or £26 via PayPal (from your PayPal account in any currency). Your membership will be made provisional upon receipt of the initial membership payment, and ratified at the next annual general meeting of the AVTRW upon agreement of the members present. It is not necessary for you to attend the AGM in order to become a ratified member.

Continued membership of the AVTRW is conditional on the receipt of the annual membership fee due on 1st May annually. Student members supplying valid documentation of their status will receive three years of membership from the initial payment, after which time the annual fees will apply.
